Re: Unauthorized Disclosure of Intellectual Property

Dear Travis Beirton,

We have reason to believe that you are in direct violation of revealing information that is deemed intellectual property.

The infringing actions include: Possessing NFT without ownership.

It is required that you cease and desist the following: All traces of NFT shall be wiped from all devices in possession.

If you fail to comply with the aforementioned demand(s) by June 12 2024 we will have no choice but to pursue all legal causes of action, including but not limited to, the filing of a lawsuit to protect our interests. We remind you that this letter serves as a pre-suit notice for a lawsuit against you and failing to correct will likely make you liable for any damages the court determines we have suffered as a result of your infringement(s) including any reasonable attorneys' fees.

Sincerely,
